Manchester Insirmary, Dispensary, Lunatic Hospital and Asylum, Weekly Board, Monday, 24th September, 1792.

The CHARITY-SERMONS, requested by the President and Treasurer of the Manchester Insirmary and Dispensary, and the Treasurer of the Lunatic Hospital and Asylum, in February 1792, being now nearly sinished, we think it no less a Point of Duty than of Gratitude, to exhibit the following most respectable List of the Places, Ministers, and Collections to the Public.

We cannot avoid again expressing, in this Place, our warmest Acknowledgements to those Gentlemen, who have so honourably to themselves, and so advantageously to the Public, exerted themselves on behalf of these Charities, in their respective Congregations.

The Sermons marked * were preached after the 24th June, 1792, but it is thought proper to exhibit the Collections to the Public altogether, and to account for the Money in the Report, No. 40. from Midsummer 1791, to Midsummer 1792.

By the Rules, the Infirmary, Dispensary, Lunatic Hospital and Asylum are considered as one united Charity, keeping, however, separate Accounts. It is thought unnecessary to make any Division of the Money collected at the above Sermons, between Charities situated and united as these are. On this Principle, the Money is entered in the Insirmary Accounts.
